

Gawler-Barossa ACRM South Australia Inc.

The Volunteer

Providing safety and support to the community through radio communication

The Club is looking for people who would like to become members and volunteer to assist other organisations at various events.

The Club has all the necessary equipment available for you as required. Should you choose to purchase your own equipment the Club can advise of appropriate options.

Club Major Events

Car Rallies, Motor Bike trials and Central Districts State Junior Tour. At these events tracking of competitors and maintaining a communication link for their safety is our main purpose. An established Radio network system and or Computer net work system are used to achieve our task.

Club Fund Raisers

Note we don't do BBQ at Bunnings etc.

Club Members are encouraged to assist as Traffic Marshals at Push Bike (Road Races) and Car parking events. These events help fund the Club with new equipment etc. Saving our members a large expenses.

Social Events / General Meetings

The Club has four social events each Calendar year.

March, June a Field Day / General Meeting. This event provides a chance to check Club / personal equipment as well as providing a forum to look at new equipment and ideas for the future.

September the Club hosts a luncheon for active members and their partners
May be a guest speaker invited.

December General Meeting location is subject to weather conditions may be at Members home leading up to Christmas.

The Club welcomes families at all events and meetings. However due to safety there may be restrictions affecting the family pets.

All Club members officiating at sporting events are subject to zero tolerance to alcohol and drugs, testing may be in enforced.
